Questions? For pricing, call your Hospital Resource Representative at **1-800-263-1143**.

For product information, visit the Mead Johnson Online Product Handbook at www.enfamil.ca/medical.

The 59 mL (2 oz) Nursette® bottles in the Mead Johnson Nutrition hospital feeding system will undergo artwork changes (labels and cartons) in October 2020.

Please note there is **no change to any of the product formulations or nutritional information. Item codes also will remain the same.** Product bearing the updated labels and packaging will be released progressively, so you can expect to see them in hospitals by October 2020.[§]

*Due to cow's milk protein allergy

†For babies who spit up more than 4 times per day

‡Contact your Hospital Account Manager to confirm if you have access. Product introduction is currently on restricted basis.

§Dependent on volumes in hospitals/warehouses
